murra

As the world changes Utopia have taken steps to overcome the difficulties that can occur when sourcing from the Far East by moving production much closer to home, alleviating long lead times and reducing the carbon footprint in the process.

The Murra collection will be the first of our launches to take advantage of this move. This new collection is part of our new partnership with NMC, a unique international sourcing platform that works to find the best quality products at the most effective price points as an alternative to traditional Far East sources.

Murra references the luxurious ceramic vessels created using semi-precious materials by the artisans of ancient Rome. With twenty five items in each of the five colourways it's never been easier to personalise the presentation of food and bring individuality to any venue. Manufactured from Vitrified Porcelain to withstand daily use and hand-finished with glorious reactive glazes, each item is truly unique.
